Journey into the ancestral lands of the Kulin nation and explore their rich and thriving culture on this award-winning walk in the Royal Botanic Gardens Melbourne. Experience a traditional smoking ceremony with our Indigenous Guides and discover traditional uses of plants for food, tools and medicine.

Italian organist Mario Duella returns to the Melbourne Town Hall to perform with Melbourne keyboard favourite Anthony Halliday at the piano. These two exceptional performers will play a diverse repertoire of enjoyable classical music including marches by Guillemant and Widor, a rhapsody by Liszt and Italian treats from Verdi and Halliday.

Tour at ArtPlay

ArtPlay is a civic studio where families and children can be creative and express themselves in ArtPlay's open and supportive environment. The mission at ArtPlay is to involve children and their families in artistic, interactive and creative projects. Through workshops with professional artists, ArtPlay aims to improve educational and arts opportunities for children. Take a look behind the scenes to see what makes this studio so unique.

Ganesh versus The Third Reich

The Nazis stole the swastika, an ancient icon of Hindu culture. Ganesh wants it back. Gods, like elephants, don't forget. Only Geelong's bold Back to Back Theatre could conjure up an epic journey of an elephant-headed Hindu god who seeks to go one-on-one with Hitler. As our hero Ganesh cuts a swathe through Germany we embark on a wildly inventive ride through history, where sacred icons and rituals become weapons of theatrical production.
